

Dear Potential Sponsor:

On July 26th the Bellport Bay Yacht Club will host the 2004 National Championships of the U.S. Optimist Dinghy Association. This major boating event attracts young sailors between the ages of 8 and 15 from across the United States and worldwide. In fact, this year it is estimated that over 400 young sailors, along with their parents, friends and coaches will be in attendance.

As a sailing enthusiast myself, I can attest to how important it is that this competition continue for the sake of the sport, its competitors, and that it continue to inspire other young would-be sailors in the ancient sport of sailing.

That is why I am writing this message today. Your support is needed. As a Long Islander, I hope you will consider becoming a sponsor for this year's competition which will take place right here at Shorefront Park, Patchogue, Long Island.

There is a Sponsorship Contract form on this web-page that outlines the various packages available. What a great way to get involved with today's youth and align your company's name with this exciting worldwide event. If you have any questions regarding this event, or have an interest in being a sponsor, please call me at (516) 733-7114. I will handle all the details for you.

I do hope I can count on your sponsorship and look forward to seeing you at the event.

Sincerely,
Thomas K. Cullen
